- “We’ve known Bill Grand for about 10 years, and he’s the best insurance agent we ever had. He and his staff have always been very helpful to us. **They are all very knowledgeable, friendly, and very good at explaining all the details in laymen’s terms.** I would recommend their service to anybody without hesitation. Also, Bill is very trustworthy, which is extremely important to us, and sometimes hard to find in today’s society. Thanks Bill!!”

Fred Mueller – DesPlaines, IL

- “It’s so rare nowadays to find the personal touch that you get with C & G. **Since other prices aren’t any better, I don’t know why you would want to buy insurance over the internet or with some company that’s 2,000 miles away.** I like to do business with people, and you people are the best.”

Gayle Adank – Chicago, IL

- “Vicky, I’m almost speechless. You told me my old policy wouldn’t cover water backing up in our basement, and that it was just a matter of time before something happened.

Well, after 12 years it finally did. It rained so hard the other night that our sump pump couldn’t keep up with all the water pouring in. We didn’t lose power, and the pump didn’t break. It just couldn’t keep up. As you know, our basement is fully finished, and we took in a foot of water. Everything is ruined – walls, carpet, furnace, hot water heater, washer, dryer, furniture...you name it. What a mess!!!

Based on what was happening to all my neighbors, when I called to talk to you, I was really scared that there’d be little, if any, coverage. When you reminded me that you gave me a high value home policy, and that this would be fully covered, I didn’t know whether to cry or shout.

Vicky, I can’t begin to tell you how glad I am to have you as my agent. You told me you’d take good care of me, and you didn’t let me down. You always talk about getting the best insurance, because you never know what’s going to happen. Thank you! Thank you! Thank you!

By the way, you’ll be hearing from some of my neighbors real soon.”
